Now Enrolling for Fall 2014

Tuesday, May 6, 2014 / Parent & Child OPEN HOUSE / 9 - 10 am

Parents and their children, toddlers, 18 -36 months and pre-school children, ages 3 - Kindergarten, are invited to join us for a morning visit. Parents and children can learn more about the Montessori experience and environment and meet our Montessori trained teachers. Let us know you are coming or just drop by. We are now enrolling children for the fall 2014.

Daily Tours and Observations

Parents interested in the school may schedule a visit beginning in October. Visits are scheduled in the morning at 9 a.m. or 10 a.m., Monday through Friday and take roughly an hour. For your first visit it is best to leave your child at home so that you will have ample time to observe, ask questions, meet with the Head of School and the Admissions Director.

Call us at 802.257.0500 to schedule a tour and classroom observation. Applications are accepted year round. The best time to view the school is while classes are in session as it offers an important opportunity to observe the teacher-student relationships and the Montessori classroom in action. Choosing the right school is an important decision and the tour is an essential part of this process.
