A Summer Program for Young Children Ages 3 -6

Our camps offer the perfect balance of creative learning and FUN recreational activities in the fields and woods of our beautiful campus. We provide camp experiences for children from 3 to 6 years old that are designed to suit their specific needs.

The 3 to 6 year old program is based in our spacious Children's House classroom, playground, pond and woods. We offer a peaceful and caring environment for learning and play.

Mornings follow a Montessori work period model. During this time, children explore the many materials in our prepared environment, including Practical Life, Sensorial, Science and Geography, Language, Math, Music and Art. Some materials will be introduced to small groups, and some individually. Children are given the opportunity to be independent learners. During this time, we will also offer snack, gather together to sing and read/listen to stories, offer daily swim lessons and engage in creative explorations.

Some of our children will end their day with a 12:00 pm departure while others stay on until 3:00 pm. We have lunch at 12 noon. The 3 or 4 year old children who stay for the afternoon session have a rest time and then continue with fun activities, while the 5 year old campers jump right into afternoon adventures on the playground, in the woods, or on the field. Every day is filled with exciting new discoveries!

Camp begins for all campers at 8:30am, with an early drop-off option starting at 8:00 am. Campers can choose to end their day at 12:00 pm or 3:00 pm, with an optional add-on hour until 4:00 pm.

What every camper needs to bring and leave at camp:

- A complete set of clothing, including long pants, a sweatshirt, socks, underwear and shoes
- Sunscreen and insect repellent
- If your child is a 3 or 4 year old and stays for rest time, send a bag with a small pillow, blanket and small snuggly friend

What every camper needs everyday:

- A healthy lunch (no candy or sugary sweets, please)
- A water bottle
- Swimsuit and towel
- Please apply the first round of sunscreen and insect repellent before coming to camp.
- Wear socks and sturdy shoes. If you do wear sandals, make sure they are NOT flip flops. We will be running, hiking and climbing outside.

We hope this brochure answers all of your questions about camps. If you have any additional questions please call us at 802.257.0500.
